[VERSE 1]

The air may be thinner
But love is so thick
In the Alps
In the Alps
In the Alps

[VERSE 2]

They say each beginner
Can learn twice as quick
In the Alps
In the Alps
In the Alps

[VERSE 3]

Each echo you hear
Is an echo so new
It's yoddlee yoddlee
Yoddlee yoddlee
Oh, I love you

[VERSE 4]

There's mountains of lovin'
And you got your pic
In the Alps
In the Alps
In the Alps

Oddlee oddlee odddlee
(Oddlee oddlee odddlee)
Oddlee oddlee odddlee
(Oddlee oddlee odddlee)

In the alleyoop and Alps
Is where you ought to be

Mountains to the left
(Oddlee oddlee odddlee)
Mountains to the right
(Oddlee oddlee odddlee)
And the kisses flow
Like mountain streams each night

[Repeat VERSE 1]

[Repeat VERSE 2]

[Repeat VERSE 3]

[Repeat VERSE 4]

In the Alps
(In the Alps)
(Oddlee oddlee odddlee)
In the Alps
(In the Alps)
In the Alps
(Oddlee oddlee odddlee)
In the Alps
(Oddlee oddlee odddlee)
