Mamita

Senorita

I'm a mid day beach girl, a laid back in
a two piece girl
I'm a straw in a coconut girl, when the boys look they
look
twice.

V1
Walk to the beach with my flip flops on,
got to the sand
and i took them off,find my spot and lay out my towel,
winked at the boy and
he cracked a smile,wipe myself down with tanning
lotion,
feel the breeze
from the ocean,
close my eyes and it's like I'm floating,
everything moving in slow motion.

Ch
Lover's holdin hands
this is paradise
Oh how sexy I
feel...under the blue skies
always somethin' new
always beautiful
always
mellow and it's always,
always poppin'

(Chorus)
I'm a mid day beach girl, a laid
back in a two piece girl
I'm a straw in a coconut girl, when the boys look
they look twice.X2

there she go, there she is

there she go
(I'm a mid day beach girl)

there she go,
there she is
there she go, there she is,
there she go, there she is
there she go
