Someone said your name,  
And sparked every ember. And I  
Burst into flames, tried not to remember.  
It's not been the same  
Since last December and  
Now we're in May.  
Now we're in May.

The sheets that I won't clean are all I've got to  
reminisce about me and you.  
The song I wrote for us was a sweet surprise with  
lullabies.  
But it's just no good anymore, cause I'm  
Stuck with nothing more.  
I'm all alone passed out on the floor.  
Are you alone in bed or is it just me, honey?

It's not been the same  
Since last December, yeah (yeah)  
Now we're in May.  
Now we're in May.
