I love your eyes
When they smile
But i hate your mouth
When it cries for me
On the national trust
The best mistake i ever made
Was having you
I'll read my books like they're friends
Cause' these drugs don't start kicking till' ten
And while the meanest boy from verity
Smokes lights in the red
This 50's diner taught me tonight
I'm almost dead
I miss you as a friend
I miss my favorite kid
Don't you remember when we took that trip
To the white sands?
All the things you said to me
Even if you die
I want you to know
You're my best mistake
While the meanest boy from verity
Smokes lights in the red
It's all up to verity
