3, 6, 8, 9 to 5 I'm thinking of you all the time  
With nothing left. But when you arrived, you made me  
hypnotized  
6000 lies you made with your eyes.  
I just can't get (can't get) over you

I'm losing out on so much more  
Than you can ever bring to me, still,  
I'm wasting away waiting to die  
Can't get you off on me, I'm blind.  
Can you open up and realize?  
I'm wasting away waiting for

Something better than before.  
All I was about  
Was tearing off her clothes. But now I'm thinking  
That life's all about  
Spending all of it on you.

I'm losing out on so much more  
Than you can ever bring to me, still,  
I'm wasting away waiting to die  
Can't get you off on me, I'm blind.  
Can you open up and realize?  
I'm wasting away waiting for you

Just take a better chance. Cause  
I'll walk away from you  
With nothing left but this stupid dream that  
We will ever fall in love tonight.  
Tonight I'm so tired  
Of waiting for you  
Of waiting for you  
Of waiting for you  
Of waiting for you  
Of waiting for you  
Of waiting for you  
Of waiting for you  
Of waiting for you  
Of waiting for you  
So tired of waiting.

(I'M TIRED OF WAITING)
