Lie beside me on the sand  
Put some lotion in your hand  
Come on and make me feel nice  
Then kiss me once or twice  
Say you love me again

Then rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin  
You're gettin under my skin  
Rub it in, rub it in

(Do it) mmm, feels good (do it)  
(So it) put a little bit  
On my left shoulder (do it)  
Yeah (do it) put a little bit  
Right here (do it) yeah (do it)

Turn your radio on  
And find a slow grooving song  
Baby, whisper in my ear  
Say the things I wanna hear  
Make me know your love is strong

And rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin  
You're getting under my skin  
Rub it in, rub it in

Put a little on my nose  
Put a little on my toes  
Put it on my back  
And my sacroiliac  
And a dab on my  
Chinny chin chin

Rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin  
You're getting under my skin  
Rub it in, rub it in

Rub it in, rub it in  
Rub it in, rub it in  
I feel the tingle begin...
