Feat. Johnnie Stash

Hi, I'm Johnny Stash  
And I'm here to sing about  
A great American dog  
Black Lassie

Hit it, Carl

She was born in the Detroit ghetto  
During the riots of '65  
Her daddy was a big fat alley rat  
But he could lick a dog twice his size

Her mama was  
A long legged Afghan  
And she came from the  
High class part of town

But late at night  
When the moon got bright  
Her and the rat  
Really went to town

Black Lassie, fat and sassy  
She started poor, aw  
But now she's rich

She's the queen  
Of the doggy world  
Black Lassie is a ghetto  
(Sssh, don't you say it)  
But I'm talking about Black Lassie

Now I want everybody to listen  
While Carl plays with his wa-wa

That was Carl and his wa-wa  
Thank you very much, Carl  
That's just fine

You can stop now, Carl

Carl, you can stop now  
Gimme that wa-wa, Carl

Don't you ever try to play when I'm  
Singing about a great American dog

Black Lassie, fat and sassy  
She started poor, aw  
But now she's rich

She's the queen of  
All the doggys in the world  
Because Black Lassie  
She's a ghetto  
(Sssh, don't you say it)  
But I'm talking about Black Lassie

A great American  
Half dog, half rat  
Don't mess with her  
Because she's a real (shut up)

Aw, shut up, yourself  
I wasn't gonna say bitch  
I'm talking about Black Lassie

I can just see little Timmy now  
Standing in front of that liquor store  
Calling his dog

Here, Black Lassie  
Here, Black Lassie  
Come over here, girl  
Get out that trashcan  
And come over here

Woo, you stink, where you been  
In that store, playing with men again  
Come over here, girl  
I got a cheeseburger for you

That's right, sit up  
Aw, that's a good girl  
Aw, God, you're ugly  
Those beady eyes  
But I love you, girl

Speak for me, girl  
Speak for me  
I love you
