Intro

Hello Monica, Gabriela, where are you?

Verse

Last night I left my mama writing this song
(Oh eh do the cheeky cheeky)
Boys were all waiting and the party was on
(Ooh eh do the sneaky sneaky)
We love to boogie and were not going to stop
(You and me feeling cheeky cheeky)
Dancing all night and now we're feeling so hot
(Ooh eh can you feel the heat, can you feel the heat
tonight)

Chorus

Get the party on (get the party on)
Get the party on (get the party on)
All night long
Singing mama's song

Verse

Ooh baby hide me now my mamma has come
(Ooh eh do a sneaky sneaky)
She's gonna catch me and a smack a my bum
(Oh eh do a cheeky cheeky)
Turn up the music and my mamma will dance
(You and me feeling cheeky cheeky)
Lost in the rhythm of this cheeky romance
(Ooh eh can you feel the heat, can you feel the heat
tonight)

Repeat Chorus
