Intro

(Cheeky girls, right now, hip hop, here we go)
Hip hop, hip hop, hip hop that's what we want

Verse

We are two girls are here is this boy
We don't know how to split him in two
I want to be cool you should do the same
The story begun I can't see the end

Bridge

Ooh let's put on our hit hot pants
Ooh , I feel so good
Ooh let's go out and watch the stars
Ooh, just me and you

Chorus

Hip Hop is what we want
A little hippy hippy hop uh uh
Hip Hop we hit the spot
That's what we want (repeat)

Verse

I'll stay with you, he won't do that
Life's too short to fall out on him
Throw up a coin and let's see what it says
It stays up he's yours if it comes down he's mine

Repeat Bridge

Repeat Chorus

Middle 8

I like hip hop, go for a drive
Jump in my car and come for a ride (x2)
Hip hop hip hop hip hop that's what we want
Hip hop hip hop hip hop that's what we want

Repeat Chorus
