Verse

A magic world is what we see
A magic life is what we need
Dance me babe, day and night
Lift me up, put me down
Close your eyes and don't look back
(Ooh baby, ooh baby, ooh baby) Woo

Chorus

I'm a party babe, I don't want to change
I can love you as I am, please don't go away
I'm a party babe, you can love me back
Love me hate me I don't care, just believe in me

Verse

I know one day my prince will come
In his white car to pick me up
We don't look back, so don't be daft
We are too good for party stuff
Drop your clothes and go to sleep
(Ooh baby, ooh baby, ooh baby!) Woo

Repeat Chorus

Breakdown

I'm a party babe, I don't go to sleep
Time to break away, time for something new
I'm a party babe, she's a party babe
We both love to dance, do you love it too?
(Ooh baby, ooh baby, ooh baby!) Woo

Repeat Chorus to end
