Mmmmmm

C'mon every body  
Come and take your shoes off

Feel the teenage freedom  
Feel it all around u

Shake your body feel the beat  
Take your shoes off and feel free  
Feel the power teenage lives, disco fever never dies!

5,4,3,2,1

Shake it Shake it, Shake it Shake it  
Move it Move it, Move it Move it  
Take your shoes off and feel the freedom!  
Lets shake it, lets move it, and take your shoesies off!

Every girl is looking for good fun!  
We are young and never have enough  
To be as 1 we really like is to come alive!

Shake your body all the night  
This is what you really like  
Close your eyes and lift your head  
Disco music never ends  
Disco music never ends

Move it move it, move it move it  
Take your shoes off and feel the freedom!
