Hey ladies and gents  
I'm 'bout the big noice, you can't keep the sense

Now you know the type of party-arty-arty  
Sipping Long Island Ice Tea, now that's more like me  
At the back of the club puffing on the Marley  
I'm like; HELP, I NEED SOMEBODY!

OOOH  
I'm so fired up and I just don't know what, what to  
DOOO  
I'm spilling my drink, I can't think, 'cause I'm so lost in

They keep rubbing my chest, AHA  
With my hand up their, OOOH, let's practice safe sex  
Girls wanna impress, AHA

They keep rubbing my chest

The bigga nigga in the place to be  
I can see you, but you can't see me  
I shine so bright, sunglasses B  
As I pass (?) are holding me  
Freeze, as the cameras flash  
Paparazzi's love me, I make them cash  
One night with me is a sure shot flash  
I get's more money, wanna be my Stacey Dash  
I love the life I live and live the life that I love  
So I smile and stay fly like an MF (?)  
I'm so intelligent, yeah, I could be a nerd  
So don't, don't be a hard-headed bastard come on and  
disturb
