One life, one shot, one move, one god  
This is the truth yeah  
Word up for the lazy boy  
Word up for the lazy boy  
This is the truth

You donâ€™t win silver you lose gold  
Stop earning the right to be  
You won the day you were born  
If you donâ€™t know what direction you should take  
You donâ€™t know where you are

Success is a matter of luck, ask any failure  
Never let a fool kiss you, or let a kiss fool you  
We are born naked, wet and hungry  
Then things get worse

Your success is measured by your ability to finish  
things  
Skepticism is the beginning of failure  
Forgive your enemies, but never forget their names  
There is no such thing as right or wrong  
Only consequences

One life, one shot, one move, one god  
This is the truth yeah  
Word up for the lazy boy  
Word up for the lazy boy  
This is the truth

All men are born equal  
But quite a few get over it  
We are the people our parents warned us about  
Sometimes I think the sure sign that life exists  
elsewhere in the universe  
Is that that none of them tried to contact us

Be nice to nerds  
Chances are youâ€™ll end up working for one  
Do not get mad with others  
Because they know more than you

It is not their fault  
If you do not change your beliefs  
Your life will always be like this

Fantasy is as important as wisdom  
Do not try to satisfy everyone  
The biggest lie you can tell yourself is  
When I get what I want I will be happy

One life, one shot, one move, one god  
This is the truth yeah  
Word up for the lazy boy  
Word up for the lazy boy  
This is the truth

Don't take life too seriously, you won't get out  
alive  
It maybe your sole purpose in life  
Is to serve as a warning to others  
Life is shorter than expected  
What you're willing to accept is exactly what  
you're going to get  
You have control without being controlled

Creativity is great but plagiarism is faster  
You are the very reason why everything happens to you  
Someone said to Voltaire life is hard  
Voltaire replied compared to what?

One life, one shot, one move, one god  
This is the truth yeah  
Word up for the lazy boy  
Word up for the lazy boy  
This is the truth

One life  
One god  
Word up for the lazy boy  
This is the truth
