You can cut to the chase  
And you know it's okay  
Coz we only read the headlines  
We only read the headlines

Baby get to the point  
And quit the full play  
We only read the headlines  
We only read the headlines anyways

54% of bank robberies take place on a Friday  
Women blink nearly twice as much as men  
Elvis never ever gave an encore  
The number of wars fought between countries  
That both have at least one McDonalds is zero  
Every 5 minutes an area of rainforest the size of a foot  
ball field  
Is eliminated  
Women who read romance novels  
Have sex twice as often as those who don't  
Did you know?  
A can of diet coke will float in water  
While a can of regular coke will sink  
The Muppet show was banned from TV in Saudi Arabia  
Because one of it's stars was a pig  
Males on average think about sex  
Every 7 seconds  
More than 50% of the people in the world have never  
made  
Or received a telephone call  
Syphilis has risen 500% in the last six years in London  
Why is it that everybody seems to get older?  
Except for Cliff Richard

You can cut to the chase  
And you know it's okay  
Coz we only read the headlines  
We only read the headlines

Baby get to the point  
And quit the full play

We only read the headlines  
We only read the headlines anyways

1 out of 10 girls under 20 is carrying Chlamydia  
According to several sources  
Dr. Harvey Kellogg tried to make a cure for  
masturbation  
When he made cornflakes  
Women are 30% more active during a full moon  
Indonesia is the country with the highest scout  
membership  
In every single episode of Seinfeld  
There's a superman in at least one scene  
somewhere  
If you weighed all the animals in the world  
Hens would be 10% of the total weight

In Minnesota there's a law  
That prevents men from having sex with living fish  
Jimmy Carter can read 2000 words per minute  
Humans and dolphins are the only species  
That has sex for pleasure  
Danny DeVito is taller than Dolly Parton

You can cut to the chase  
And you know it's okay  
Coz we only read the headlines  
We only read the headlines

In the papers on the news  
Heavens heard there's no excuse  
In formations everywhere  
All you need to know is right here

It's possible to attend your own funeral  
Because the human brain continues to send out  
electrical wave signals  
For up to 37 hours following death

We only read the headlines  
We only read the headlines  
We only read the headlines

You can cut to the chase  
And you know it's okay  
Coz we only read the headlines  
We only read the headlines

Baby get to the point  
And quit the full play  
We only read the headlines

We only read the headlines anyways
