Come on boys, just keep going on and on on me  
don't treat me like an alien  
or something that you're scared about  
don't ever say that I'm the one  
who's gonna fade away in time  
I'm gonna be there every day  
won't you hear the radio  
what I like is wearing long hair in back  
and short in front  
in a way that Jesus did before  
just a very long time ago  
I want to go on holyday  
I'll keep my earring every day  
and you can call me what you like  
I don't give a fuck at all

you say that I'm  
a nacken spoiler  
I'm gonna fly  
far away from here  
you say that I'm

a nacken spoiler  
no fear at all for what is  
standing in the way

there will be a day that  
we get together in Germany  
all the mullets of the earth  
you better stay at home that day  
don't ever say that I'm the one  
who's gonna pay for every one  
I'm gonna be there every day  
I don't give a fuck at all

you want me to be on a better way  
you don't like my style but you will never see me cry  
who are you to say what's wrong or right  
I will keep my hair tight and preserve the right shape of  
my nape

I don't bother you
