It's time to think about ourselves
we'll do whatever you say
I've thought about a new plan
what a mind, what a crime
I need some real good fellas
we are so glad to lend a hand
come on tell me what are we
waiting for, waiting for

lets find a dirty mean cloak to
put them against the wall...

bomb them all
and never have to pay for it
and never have to pay for it
you would like joining our crew
'cause no one can stop us
don't say that I'm a bad man
don't even try to say that I'm wrong
it won't get anywhere
I'm the boss of all the world

I've got to rearrange myself
we'll do whatever you say
I've thought about the men's life and
I don't mind, I don't mind

I'm lucky to have all these friends
we are so glad to lend a hand
come on tell me what are we
waiting for, what are we waiting for
