You say you wanted more
never seen before
coming on the stage for you
what we care is getting through

I tell you what I'll be
I'll be the only one
fighting for your right to shout
you've got to admit it's getting tough

that's why I want you to move your ass

and make it all a mess
stay in front of me

the next is for you

still saying you wanted more
you're getting a little bored
only thing I want to say
fuck you jerk just stay in bed

dancing in the sun
the chicks are having fun
fun is what I want tonight
don't ask me to be so kind
