I never ever met a girl like you  
hey sexy lady, what an attitude  
and I go so crazy on my own  
oh, what do I do  
I 'm gonna fall in love with you  
I'll try to know your rules  
looking at your moves  
and over and over again  
I ramble in the night  
looking for a light that I want to shine  
my knees get weak when I see you baby  
walking through the dance floor  
my heart is pumping up, up  
it won't stop  
my tongue is stucked, what's up?  
I can't talk at all, I'm fucked  
please don't turn away from me  
'cause now I don't know what to say

so I write this song for you  
I don't mind elton did it too  
oh girl you're hot, you make the time stop  
and pull me away

like a flower in bloom you've got the groove  
that's what I say  
you turn me on, turn me on, turn me on  
but when you look at me, when you look at me  
I'm on the run

Oh, where the hell have you been before  
you filled a hole in my soul  
I never felt the same at all  
now I wake up with a smile  
knowing you out there  
walking down the street  
with your sexy style  
and the look in your bright eyes  
Oh, am I gonna die  
if I won't ever get your love

you're the beauty of the night

the sun that melts my heart  
like heaven on earth, I feel it  
my tongue gets stucked, what's up?  
I can't talk at all, I'm fucked  
please don't turn away from me
