To get a taste of me
Right here, right now
Is the place to be
I can't let her go
When she on the floor
I loose my mind
Take control of me
Make me feel real good
Like it's suppose to be

Deep in your mind
I know she feelin me
You can't deny it
Say you want it shwaty, oh
I won't lie
When you close to me
I can't count unpost myself
I loose it all
Can't hold myself
Hey

That good thing on me
You what I need girl
Light brown Puerterican chick
Fellas you know
I met her in the club
She was the type to make you go
Oh oh, oh oh oh, oh, oh oh, oh oh oh, oh
She's that fine
You know when you see her
She got her own chips
But she seven serious beemier

I can't let her go
I just wanna know if you be down
To get a taste of me
Right here, right now
Is the place to be
I can't let her go
When she on the floor
I loose my mind

Take control of me
Make me feel real good
Like it's suppose to be

Shake it up, shake it up
Don't you stop
Drop it like it's hot
Do it like you on top
Twirk it out for me
Do it to the beat
Mama you a freak
I mean do it deep

Can't let you go
Oh oh, oh oh oh, oh, oh oh, oh oh oh, oh
I never met a girl quite like you, oh

I can't let her go
I just wanna know if you be down
To get a taste of me
Right here, right now
Is the place to be
I can't let her go
When she on the floor
I loose my mind
Take control of me
Make me feel real good
Like it's suppose to be

I can't let her go
I just wanna know if you be down
To get a taste of me
Right here, right now
Is the place to be
I can't let her go
When she on the floor
I loose my mind
Take control of me
Make me feel real good
Like it's suppose to be

I can't let her go
When she on the floor
I loose my mind
Take control of me
Make it feel real good
Like it's suppose to be

Shake it up, shake it up
Yeah that's right

Come on
Shake it up, shake it up
Get up, get up, right now
Don't stop ye-yeah
