It's been seven hours long  
And your shadow still hangs on  
You've been two weeks gone  
So tonight I followed you home  
There are so many different ways  
Of collecting all the strays  
The ones that get away

Old fascinations we crave  
New sensations  
Old fascination  
It's feeding my frustrations  
It's feeding my frustrations  
And I haven't got the patience

These sheets are still warm  
This bed is our only home  
We make arrangements over the phone  
Where has all the conversation gone?  
There are so many different ways  
Of collecting all the strays  
The ones that get away

Old fascinations we crave  
New sensations  
Old fascination  
It's feeding my frustrations  
It's feeding my frustrations  
And I haven't got the patience

Frustrations  
Sensations  
Fascinations  
Fascinations  
(X2)

Old fascinations  
New sensations  
Old fascinations  
New sensations  
Old fascinations we crave  
New sensations

Old fascinations  
It's feeding my frustrations
