Love, love is like a stubborn youth  
That you'd rather just deny  
I'm walking on a broken roof  
While I'm looking at the sky

It's all false love and affection  
You don't want me  
You just like the attention  
Yes it's all false love and affection  
You don't like me  
You just want the attention

I'm not your toy  
This isn't another girl meets boy x2

Love, love hides in a smoky light  
And I can never find the truth  
Boy, your touches leave me mystified  
And I wish I could believe in you

Yes it's all false love and affection  
You don't want me  
You just like the attention  
Yes it's all false love and affection  
You don't like me  
You just want the attention

I'm not your toy  
This isn't another girl meets boy x3

It's all false love and affection  
You don't want me  
You just like the attention  
Yes it's all false love and affection  
You don't like me  
You just want the attention

I'm not your toy  
This isn't another girl meets boy x4
