We can fight our desires  
Ohhhh but when we start making fires  
We get ever so hot  
Ohhhh whether we like it or not.  
They say we can love who we trust  
Ohhhh but what is love without lust?  
Two hearts with accurate devotions  
Ohhhh and what are feelings without emotions?

I'm going in for the kill  
I'm doing it for a thrill  
Oh I'm hoping you'll understand  
And not let go of my hand(X2)

I had my hopes out on the line  
Ohhhh will they be ready for you in time  
If you leave them out too long  
Ohhhh they'll be withered by the sun  
Full stops and exclamation marks  
Ohhhh my words stumble before I start  
How far can you send emotions?  
Ohhhh can this bridge cross the ocean?

I'm going in for the kill  
I'm doing it for a thrill  
Oh I'm hoping you'll understand  
And not let go of my hand(X2)

Let's call unto all to make peace  
Let's be cool to create heat  
Open darkness, we can see  
Hope your not blind from the light from me

I'm going in for the kill  
I'm doing it for a thrill  
Oh I'm hoping you'll understand  
And not let go of my hand
