Your love is overdue
The time is at hand
The hourglass is running out of sand
Wake up you're still asleep
Are you dreaming too much
Imaginary lovers can't be touched
Look my way

[Chorus]

Baby let me be
Baby let me be your fantasy
Baby do you want
Baby do you want my love
Baby let me be
Baby let me be your fantasy
Baby let me be the vision you've been dreaming of

Let go of make believe
Oh and touch someone real
A phantom love is something you can't feel
Your eyes say it all
You need it fast
Imaginary lovers just don't last
Look my way x 3

[Chorus]

Baby let me be
Baby let me be your fantasy
Baby do you want
Baby do you want my love
Baby let me be
Baby let me be your fantasy
Baby let me be the vision you've been dreaming of
Dreaming of
Love
Dreaming of

[Guitar solo]

[Chorus]

Baby let me be
Baby let me be your fantasy

Baby do you want
Baby do you want my love
Baby let me be
Baby let me be your fantasy
Baby let me be the vision you've been dreaming of
Baby let me be
