Want more real attention
At my expense guess you forgot to mention
You talk good, I'll eat glass
I heard you read my mind behind my back

Outside, I'm waiting
By the car when you're hesitating
Take a good look, take a photo
Write about it in your tiny notebook

Don't you know
You're out cold
Don't you know
It's our dance floor

T.K.O., hear it on the radio
T.K.O., play it on your stereo
T.K.O., watch a live video
T.K.O., T.K.O.

Got your money safe
Wanna be in
Everyday it just gets closer to you
I'll say my piece

And when it's over you'll be on your knees
I got this soul thing
On the go
Read about it at your Barnes and Noble

Don't you know
It's our dance floor

T.K.O., hear it on the radio
T.K.O., play it on your stereo
T.K.O., watch a live video
T.K.O., T.K.O.

Night is young
And we all know what's up
The ocean calls us

Away from

Don't you know
You're out cold
Don't you know
It's our dance floor

T.K.O., hear it on the radio
T.K.O., play it on your stereo
T.K.O., watch a live video
T.K.O., T.K.O.
