I couldn't fall asleep last night
I counted lots of sheep last night
I came up to a thousand
Of them when I said:
Stop! and then I got up
If you were me you'd do it too
I ran into the bathroom
That's where I keep my...

*** I knew you would

And you got up and
all you took was a deep breath
But that's not enough for me
And whenever when I sing this song
In order to stay calm
| *****

Chemical drugs, chemical drugs
Can make my demons go away
Chemical drugs, chemical drugs
Can make my demons go away

Chemical drugs, chemical drugs
Can make my demons go away
Chemical drugs, chemical drugs
Can make my demons go away
