If Neil Tennant was my lover  
Would he meet my friends ?  
Would he call my name when  
We're out on the dancefloors  
Or would he just dance?

If Neil Tennant was my lover  
Would he copy his keys?  
Would he stand on his knees or  
Would he just tilt his head back  
and leave me to please?

If Neil Tennant was my lover  
Would he do me no harm?  
Would he put on his charm or  
would he just tears my eyes out  
and call me one of his puppets?

If Neil Tennant was my lover  
would he?  
No, I don't think he would do that to me

Would he sing like he sang to me?  
When he sang that song, Rent  
And all the other songs he sings for me  
and they're just for me  
and they're just for me  
and you know it

Would he be my man and  
stand up and fight for me?  
Would he be my man and  
stand up and fight for me?  
(x3)
