Me and you  
We can do it in the living room  
We can do it on the kitchen tiles  
We can do it in the laundry room

Look at you  
If you should wanna go out tonight  
I know the the right words  
I know how to keep it tight

It's like a little bird  
Singing in the tree  
It's like a bright shining light  
That shines down on me

Love, love, love in the stereo  
Tweedledum, tweedledee  
Tweedledum, tweedledee  
Tweedledum, tweedledee

.... leaves  
Like a summer breeze  
Like the smell of a rose  
and the pouring rain  
...
