How can something so wrong
Feel so right?
Baby try not to fight
The feelings tonight
Won't cause any trouble
It won't cause any pain
Little or no disturbance
So let's dance
And tell no one about tonight

Let's dance
But tell no one about tonight

Let's dance
But tell no one about tonight

I know youth was wasted
The were mistakes and regrets
It took me years to discover
But just this evening to forget
It won't cause any fuzz
Come on just this one time
Celebration of the past
But it will never last
So tell no one about tonight

It will never last
So tell no one about tonight

It will never last
So tell no one about tonight
