Love I never said it
Secrets I never kept it
Shame I never felt it
Until it's too late to change it

And now I don't know what to do
And now I don't know what to say
But I think of you when I turn out the lights
Yes I think of you for a minute tonight
And I think anything wouldn't turn out too right
for you.

I took a lot for granted
I thought that things just happened
And now since I'm older
I've changed due to higher power

I doubt this and all the stories
I had for waste and sorry

And now I don't know what to do
And now I don't know what to say
But I think of you when I turn out the light
Yes I think of you for a minute tonight
And I think anything wouldn't turn out too right
for you.
