Who took the bomp?

Every day and night
Every day and night
I can see your disco, disco
Dick is sucking my heart out of my mind

I'm outta time, I'm outta fucking time
I'm a gasoline gut with a vaseline mind but
Wanna disco? Wanna see me disco?
Let me hear you depoliticize my rhyme

One! Two! Three! Four

You got what you been asking for
You're so policy free and fantasy wheels
And everything you think and everything you feel is
Alright, alright, alright, alright, alright

I take you home now watch me get you hot
You're just a parrot when you're screaming and you're
shouting
"More crackers please! More crackers please!"
You want what you want but you don't wanna be on your
knees
Who does your, who does your hair?

Who took the bomp from the bompalompalomp?
Who took the ram from the ramalamadingdong?
Who took the bomp from the bompalompalomp?
Who took the ram from the ramalamadingdong?

How are you?
Fine, thank you
How are you?
Fine, thank you

You bought a new van the first year of your band
You're cool and I hardly wanna say, "Not", because I'm
so bored
That'd I'd be entertained even by a stupid floor
A linoleum floor, linoleum floor

Your lyrics are dumb like a linoleum floor
I'll walk on it, I'll walk all over you
Walk on it, walk on it, walking one, two

Who?
Who?
Who?

Who took the bomp from the bompalompalomp?
Who took the ram from the ramalamadingdong?
Who took the bomp from the bompalompalomp?
Who took the ram from the ramalamadingdong?

See you later
See you later
See you later
See you later
