The phone keeps ringing and it just won't stop
There's a paper napkin in my coffeepot
People freaking out on me left and right
My head feels heavy but my feet feel light

The clock keeps ticking inside my head
Bad news is all I ever get
The check I've been waiting for is not on time
Everyone around me wants to start another fight

I'm gonna let it be alright
I'm gonna let it be alright
I'm gonna let it be alright
Alright

I wanna be there
I wanna take you there
I wanna be there
I wanna take you there

I wanna be there
I wanna take you there
I wanna be there
I wanna take you there

I wanna be there
I wanna take you there
I wanna be there
I wanna take you there

I wanna be there
I wanna take you there
I wanna be there, I wanna be there
I wanna take you there

I wanna be there
I wanna take you there
I wanna be there
I wanna take you there

I wanna be there
I wanna take you there

I wanna be there
I wanna take you there

I wanna be there
I wanna take you there
I wanna be there
I wanna take you there

I wanna be there
I wanna take you there
I wanna be there
I wanna take you there
