All fall down  
All fall down  
All fall down  
All fall down

You can comment all day till dark  
You can call me any name you want  
You can look me up and down  
I won't stop, no, I won't fall apart

You can put me down, you can make me mad  
You can call me mean but I think it's really sad  
That some days I just wanna stay inside  
You must love me that I live my life

On guard  
On guard  
On guard  
On guard

Stop thief, you can't steal the way  
I fuckin' felt when I got up today  
Well, I guess you're the judge, I guess you're the king  
Of the forever beauty pageant, I'm always in

My heart beats blue, beats red, beats mad  
Is this the only power that you really wanna have?  
Count from one to nine, how high do I rate?  
I guess feeling good was my first mistake

On guard  
On guard  
On guard  
On guard

Let me see you shake it, baby, shake it some more  
Let me see you shake it, baby, shake it some more  
Let me see you shake it, baby, shake it some more  
Let me see you shake it, baby, shake it some more

On guard  
On guard

On guard  
On guard

On guard  
Are you a girl or a boy?  
On guard  
Are you a boy or a girl?

On guard  
Are you a girl or a boy?  
On guard  
Are you a boy or a girl?

On guard  
On guard  
On guard
