(Intro)

Well, what about?

What is it that they're, that younger women are pushing up against? They would seem to have a list of options to choose on, uh, choose from.

Mhm

A set of ways to construct their own identity that takes in everything. It's just a vast smorgasbord. The options are not as narrow as they might have been thirty years ago. So, where does the problem lie now?

Uh, um, uh, um I think that, and

(Chorus)

Um and

uh, uh, uh, um and

uh, uh, uh, um and

uh, uh, uh, um and

And um, cuz, it, they're

And um, cuz, it, they're

And um, cuz, it, they're

You're so obviously

They're with girls, mhm (x7)

And um, cuz, it, they're (x5)

uh, uh, uh, um and

You're so obviously (x5)
