And we've talked about it on the phone.  
But how you really feel about it.  
I don't really know.  
What's your take on Cassavettes?  
What's your take on Cassavettes?  
What's your take on Cassavettes?  
What's your take on Cassavettes?  
Misogynist? Genius? Misogynist? Genius?
