Yr critique is superficial
but yr hatred's like the rain.
We could agree to disagree, you know
But I gotta catch my train

So go-go, go-go, go-go
Good Luck!
So, go-go, go-go, go-go
W.I.A!*

So go-go, go-go, go-go
Good Luck!
So, go-go, go-go, go-go
W.I.A!

I think you're pretty smart
But you act like such a jerk, I
can't stand yr fake rebellion
misdirected and anti-art

So go-go, go-go, go-go
Good Luck!
So, go-go, go-go, go-go
W.I.A!

So go-go, go-go, go-go
Good Luck!
So, go-go, go-go, go-go
W.I.A!

So over it (Now!)
So over it (Now!)
So over it (Now!)
So over it (Now!)
