(d. hoffman-livingston)

A dream is wish your heart makes
When you're past asleep
In dreams, you will lose your heartache
Whatever you wished for, you keep

Have faith in your dream and someday
Your rainbow will come smiling too
No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true

La la la la la la la la la la rin
Ohh oh la ra la ra la rin
Ohh oh la ra la ra la rin

No matter how your heart is grieving
If you keep on believing
The dream tha you wish will come true

No matter how your heart is grieving
If you keep on believing
The dream tha you wish will come true
