(Brad)

I can show you the world
Shining, shimmering, splendid
Tell me princess
Now when did you last let your heart decide?
I can open your eyes
Take you wonder by wonder
Over sideways and under
On a magic carpet ride

A whole new world
A new fantastic point of view
No-one to tell us no
Or where to go
Or say we're only dreaming

(Lea)

A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world with you
(Now I'm in a whole new world with you)

Unbelievable sights
Indescribable feeling
Soaring, tumbling, free-wheeling
Through an endless diamond sky

(Lea)

A whole new world
(Brad)(Don't you dare close your eyes)

(Lea)

A hundred thousand things to see
(Brad)(Hold your breath it gets better)

(Lea)

I'm like a shooting star
I've come so far
I can't go back to where I used to be

(Brad)
A whole new world
(Lea)(Every turn a surprise)

(Brad)
With new horizons to pursue
(Lea)(Every moment gets better)

(Brad)
I'll chase them anywhere there's time to spare
Let me share this whole new world with you

(Brad)
A whole new world
(Lea)(A whole new world)

(Brad)
That's where we'll be
(Lea)(that's where we'll be)

(Brad)
A thrilling chase
(Lea)(A wonderous place)

(Together...)
For you and me.....
