I don't know why
People say that they are not real
I don't know why
People say that they never feel, oh no no
Life is not kind
Every day
But I don't wanna think
That it's just ok
Cause anytime again
Id do it all the same
Anytime again
Id do it all the same
Yesterday, it was so pretty
When I lay by your side
But someday morning we may separate
For the rest of our lives, oh no no
So don't waste my time
With any chains
Cause at the end of the day
I just wanna say
That anytime again
Id do it all the same
Anytime again
Id do it all the same
I believe in the love to give
I believe that our lives make sense
I believe that there's anything
For anyone to be done (to be done...)
So don't waste my time
With any chains, hmm mmm huh
Cause at the end of the day
I just wanna say
Cause anytime again... (cause anytime again...)
Cause anytim-im-im-ime again
Id do it all the same
Cause anytime again
Id do it all the same-yeame-yeame-yeame
Anytime again
So don't waste my time
With any chains, hmm mmm huh
Cause at the end of the day
