Chorus:

You know I can't smile without you  
I can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything

You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew what I'm going through  
I just can't smile without you

You came along just like a song  
And brightened my day  
Who would believe that you're part of a dream  
Now it all seems light years away

You know I can't smile without you  
I can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything

You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew what I'm going through  
I just can't smile

Some people say happiness takes  
So very long to find  
But I'm finding it hard  
Leaving your love behind me, so you see

I can't smile without you  
I can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything

You see I feel glad when you're glad  
I feel sad when you're sad  
If you only knew what I'm going through

I just can't smile without you
