In this minute they fight  
In this minute they die  
In the name of their gods  
They're shooting bomb fire through the night  
In this second there's a child  
Being killed by a ricochet  
Let us stop acting senseless  
Like our hearts are lame  
Can we change the world  
In a day  
Can we open our minds  
And chase injustice away  
We shouldn't give up, tell em to stop  
Driving the whole world to the ground  
Cause this earth is the best  
Of what's around  
There is something heavenly  
Something that we cannot see  
If we try we may sway anything  
With the power of belief  
There's a conscience after all  
In our mind deep in ourselves  
Let us stop turning this earth  
Into a rotten place  
Can we change the world  
In a day  
Can we open our minds  
And chase injustice away  
We shouldn't give up, tell em to stop  
Driving the whole world to the ground  
Cause this earth is the best  
Of what's around  
Ooh ooh hey yeh  
Ooh ooh ooh mmm  
Ooh ooh hey  
Haah ahah ooh  
Ooh ooh ooh ooh ooh  
Ooh huh huh...  
Can we change, can we change  
Can we change the world  
In a day  
Can we open our minds

And chase injustice away  
We shouldn't give up, tell em to stop  
Driving the whole world to the ground  
Can we change the world  
In a day  
Can we open our minds  
And chase injustice away  
We shouldn't give up, tell em to stop  
Driving the whole world to the ground  
Cause this earth is the best  
Of what's around  
Of what's around  
(can we change the world)  
(in a day) ooh ooh ooh ooh yeah  
What's around  
(can we open our minds)  
(and chase injustice away) oh oh, yeh yay  
(we shouldn't give up, tell em to stop)  
(driving the whole world to the ground)  
(cause this earth is the best)  
Of what's around  
In this minute they fight  
In this minute they die  
In this minute they fight  
In this minute they die
