Its in the way you walk  
Its in the way you talk  
You embarrass me  
Whatever you do to me  
Every single view  
Makes my heart go boom  
Every word you say  
Just blows my mind away  
But then I wonder what she does  
By your side  
And I know that it is not me  
In your life  
Im down  
Cause I can't have you  
Where are you tonight  
Im down  
Cause I can't let you  
Make my world go round  
You may frown  
But I can't help  
Anytime I see you I am  
Down... down... down...  
Oh ow  
When you look at me  
You like what you see  
Don't need to disguise  
My doors are open wide  
But I wonder what she does  
By your side  
I can't imagine that you are  
Satisfied  
Im down  
Cause I can't have you  
Where are you tonight  
Im down  
Cause I can't let you  
Make my world go round  
You may frown  
But I can't help  
Anytime I see you I am  
Down... down... down...  
Oh ow

Every night I lie awake  
And think of you  
You let my fever...  
Grow  
Cause all I have to give  
I wanna give to you  
So help me boy  
Im down  
Cause I can't have you  
(cause I can't have you...)  
Im down  
Cause I can't let you  
Make my world go round  
You may frown  
But I can't help  
Anytime I see you I am  
Down... down... down...  
Oh, Im down  
Cause I can't have you  
(cause I can't have you...)  
Im down  
Cause I can't let you  
Make my world go round  
You may frown  
But I can't help  
Anytime I see you I am  
Down... down... down...  
Oh ow
