Im so glad that Ive found you
Everything is oh, so new
Youre the sun inside my heart
I will never be apart... from you
Youre the reason why my heart is trembling
Everytime I look at you
Wanna feel this way forever
From now on until eternity
Thought wed never love again
Doesnt'tt matter where or when
But weve found our love so true
And I love to be found... in you
Youre the reason why my heart is trembling
Everytime I look at you
Wanna feel this way forever
From now on until eternity
Eternity, ooh
[instrumental]
Oh oh oh
Youre the reason why my heart is trembling
Everytime I look at you
Wanna feel this way forever
From now on until eternity
Youre the reason why my skies are blue
My heart is full of happiness
Youre my hero, you're my everything
From now until eternity
Eternity
Eternity
