Oooh...
Love was crystal
A blaze with the light
Just a pie in the sky
Someway sudden
Were gettin stale
We were doomed to fail
Evrything now is disordered
Nothing was plain to see
When youve been
Everything
No ones flawless
All is stained
Love was drifting away
Someday morning
I hesitated
But I just couldnt stay
Evrythings pale and corroded
You were the air that I breathe
When youve been
Everything
When youve been
Everything
When youve been
Everything
Evrything now is disordered
Nothing was plain to see
When youve been
Evrything
Everything
