Every year, once a year
There is a special day
A happy, happy holiday
That's filled with love and cheer
Happy birthday, happy birthday
Happy birthday to all of you
Now we get your name and we wish you the same
Happy birthday to you

Spiel:

Lea:
Say let's wish happy birthday to all the kids
Out there wherever they may be.

Bibeth:
But we don't know all their names.

Lea:
Sure, we do bibeth.
Oh, there's angela, mickey, bernard, arsil, cynthia
Siopsie, danny, ronnie, elvie and vivian. how 'bout
You, lilian? can you think of any names?

Lilian:
Sure, lea. there's lulu, ferdinand, sheryl,
Carol, gino, imelda, ritchee, maria and lily and mike.

Bibeth:
How 'bout me? malou, jerome and norma

Happy birthday to you, happy birthday to you
Happy birthday to you all
Happy birthday to you

Here's a happy birthday cake
Happy, happy birthday cake
Mommy made it just for you
Happy, happy birthday cake

Now you blow the candles out (yehey!)

Blow and blow the candles out
All your wishes will come true
When you blow the candles out

Now it's time to cut the cake (wow!)
Happy, happy birthday cake
Give a piece to all your friends
Now it's time to cut the cake

Golly gee it taste so good
Golly gee it taste so good
It's the best we ever had
Happy, happy birthday cake

Spiel:

Lea:
Say you at home playing this recording
Maybe you're having a birthday party
And you would like to sing happy birthday to someone
So we're going to leave a blank
Where we come to the part that says
Happy birthday dear so and so
And you put in whatever name you want, okay?

Happy birthday to you (repeat 2x)
Happy birthday dear _____
Happy birthday to you

Happy birthday to you (repeat 2x)
Happy birthday dear...

Lea:
Happy birthday to all the kids out there
Happy birthday to one and all

Happy birthday to you!
