If only I could find a way to say the words
I've kept for a long time
Oh if only I could stay to make you
Feel the way I do
With us not parting I can

If only I could let you know
I love you so
Oh I love you so much
Oh if only I could find a way
To say it easily
Oh god, please let it be

If only we could have more time
To learn, to love, to know our feelings
If only time could slow down and in every minute
We are in each other's arms
Oh if only
Oh if only I can

Adlib

If only we could have more time
To learn, to love, to know our feelings
If only time could slow down and in every minute
We are in each other's arms
Oh if only
Oh if only I can...
