I want good kisses, baby  
I don't need pearls  
I like good sex, but I can  
Have it with myself  
You must show me real good reasons  
Why I'd need you  
You must give me anything  
To make your dreams come true  
Here I am  
Take my words  
Im a modern girl  
Im a modern girl, baby  
I am bittersweet  
Im a slut and Im a lady  
Im a modern girl  
In a modern world, baby  
Im not just sometimes  
I am always amazing  
Hah ha ah hah ooh ha  
Ooh ooh hoo  
I know that Im beautiful  
Don't say it all the time  
Love is not a TV-Show  
You must make me hold the live  
What I give is what you get  
So make me give a lot  
I like to be touched  
But wanna know what's in your head  
Here I am  
Don't you understand  
Im a modern girl  
Im a modern girl, baby  
I am bittersweet  
Im a slut and Im a lady  
Im a modern girl  
In a modern world, baby  
Im not just sometimes  
I am always, always amazing  
You don't need to marry me  
Only when I smile  
I don't wanna regret anything  
When I wanna say goodbye

And don't fool me  
And I don't fool you  
I am free  
And you are free too  
Ooh ooh whoooh (ooh ooh whoooh)  
Im a modern girl  
In a modern world, baby  
I am bittersweet  
Im a slut and Im a lady  
Im a modern girl  
In a modern world, baby  
I am not just sometimes  
I am always amazing  
Im a modern girl  
In a modern world, baby  
I am bittersweet  
Im a slut and Im a lady  
Im a modern girl  
In a modern world  
Im not just sometimes  
I am always, always amazing  
Im a modern girl  
In a modern world  
Im not just sometimes  
I am always, always amazing  
Always, always amazing
