De, de, de, de, de, de, de
De, de, de, de, de, de, de
Got one for your eyes
Got one for your strength
Got one for your smile
For never lose your wings
Wrote one for your love
Wrote one for your soul
Got one for your breath
For that I lose control
Till Im in heaven
There's no choice
I will listen
To your advice
And we will chase all
Ghosts away
There is no bleeding
There's no pain
Refrain:
De, de, de, de, de, de, de
Ooh oh
Refrain:
De, de, de, de, de, de, de
Got one million songs for you
There're four at a stroke
For every way you go
For every word you say
And one for any day
The way you make me sigh
For every single night
For everythings so high
Im anchored in your life
We will chase all
Tears away
There is no weeping
There's no vale
Refrain:
De, de, de, de, de, de, de
Ooh oh
Refrain:
De, de, de, de, de, de, de
Got one million songs for you

De, re, re, de, re, re
De, re, re, re, re, re, re, re
When you kiss me
When you hold me
When you save me
From all tragedy
When you lean on
Cause you're not strong
When you wake me
From my worst dream
Till Im in heaven
Anyway
Its everlasting
Were not in vain
Refrain:
De, de, de, de, de, de, de
De, de, de, de, de, de, de
De, de, de, de, de, de, de
Ooh oh
Refrain:
De, de, de, de, de, de, de
Refrain:
De, de, de, de, de, de, de
Ooh oh
Refrain:
De, de, de, de, de, de, de
Uh huh
Got one million songs for you
Ed, ed, ed, ed...
