When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you

If your heart is in a dream
No request is too extreme
When you wish upon a star
Your dreams come true

Refrain:
Fate is kind
She brings to those who love
The sweet fulfillment of
Their secret longing

Like a bolt out on the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true

(repeat refrain and last stanza)
