Oye muchacha  
Tell me what is going on  
Ay que te pasa?  
You listen to my chacha  
and you can't stop moving  
i see you grooving all night  
Big Apple danzas  
Show me how you move your feet  
Now let me see  
I got you going crazy  
La vida is fire  
Just crunk get louder tonight

Ladies flybys come to me  
I know I gotta what you need  
Let's get it wild and cha cha all night long

Everybody in the party do the cha cha  
Everybody rock it down and feel the cha cha  
Hey muchacha give me your cha cha  
y que cha cha 1 2 3 pa' bailar
