Mami

Imma make you a star

Girl

Ever been to the moon before

Cause you're about to know

Let me direct you baby

Imma make you a star

Cause I want you to shine, shine for me

Listen

Now shawty looking like at'cha

Know you got potential baby

To be a star in the movies

Won't you let me make it

Direct your prope

Girl the angles I see you

You know, you know, you know

I'm 'bout to put you

And yollin up and lights

That don't have to be complicated

My house is huge and neighbors

Can't see nothing know it's gated

So come on over

Crystal on the floor

Let me get you naked

As we hit the dower

Oh, oh, oh girl gonna get you on

And you know know girl

It's automatic

Imma have it all all girl

You can be my star

On the West coast

You know

It's slow motion

Oh, oh, oh girl

Let me me see them panties hit the floor girl

Wanna see you do it on the camera

Oh, oh, oh girl tell your body hold up

Let the freak come out, come out, and slow motion

I see someone by the pool
You and me babe
You ain't wear nothing
Doing something with your hips so sexy
As I approach put that back up in the air
And then pause
Should we take it up a notch?
Huh, huh
Oh that slow motion mami
You know on your knees
Got yo back like you
Might be ready for your close up
Imma ask you what's your name girl
You turn back like oh, oh, girl

Oh, oh, oh girl gonna get you on
And you know know girl
It's automatic
Imma have it all all girl
You can be my star
On the West coast
You know
It's slow motion
Oh, oh, oh girl
Let me me see them panties hit the floor girl
Wanna see you do it on the camera
Oh, oh, oh girl tell your body hold up
Let the freak come out, come out, and slow motion

Huh, huh, huh, huh
That's right, that's right
Huh, huh, huh, huh
Do that girl uh-huh
Huh, huh, huh, huh
Let's take it down yo
Huh, huh, huh, huh
Slow motion
Huh, huh, huh, huh
Do that girl uh-huh
Huh, huh, huh, huh
Do it just like that
Huh, huh, huh, huh
And slow it down
Huh, huh, huh, huh (Uh-huh)
Oh, oh

Oh, oh, oh girl gonna get you on
And you know know girl
It's automatic
Imma have it all all girl
You can be my star

On the West coast
You know
It's slow motion
Oh, oh, oh girl
Let me see them panties hit the floor girl
Wanna see you do it on the camera
Oh, oh, oh girl tell your body hold up
Let the freak come out, come out, and slow motion

Yeah asi me gusta mami
Let the freak come out
